

## **Classic City Woodturners**

Minutes from the business portion of the April 27th meeting are as follows:

Twenty-Five CCW members were in attendance.

Bill G. reminded folks to pay dues as well as recommended joining AAW.

The May meeting will be Saturday, May 16th at CCHS from 9am until approximately 3pm. It will be a workshop on sharpening and tool-making.

The Statham Arts and Crafts Festival was mentioned. (Several folks attended this and wow did it rain!)

Jim T. suggested the possibility of a scholarship to Campbell.

We were asked to double-check that age minimums for the club. (I found no indication of a minimum age in our Bylaws.)

Our Student Scholars, Zack Wallace and Matt Raser, were recognized.

Submitted by Bill Van Wie.
